zipMoney is the finance option available if you wish to pay your device off. There is no deposit required and the application process is all online. You get 12 months interest free with up to $2,000 credit. You will be charged a $99 account establishment fee and $4.95 a month whilst you have an outstanding balance. The interest rate is 19%. When you go through the portal, the weekly figure that we give you in the shopping cart is the repayments you will need to make to pay it off within the interest free period.

What do I need to apply for zipMoney?

You need to be an Australian resident, 18 years or over and have a job to apply. The things you need to have ready are:

- Your personal and residential details
- Your ID number, either Drivers License or Medicare Card
- Internet Banking Details - zipMoney will securely connect to your bank to access a read-only copy of your bank statement
- Your Debit Card or Account details to schedule flexible repayments

Please note all your financial and personal information is stored securely utilising bank-level encryption.

Why do I need to provide my bank login information for zipMoney?

The banking verification process allows zipMoney to securely confirm/verify your application in real time. The instant banking verification process is completely safe and secure. zipMoney does not see or store your credentials and receives 'read only' summary information regarding your recent transactions.

What is the alternative if I am not comfortable completing the bank login step for zipMoney?

If you are completing the application on a PC, there is an alternative upload option located just below the bank login step. You have the option to upload a copy of your bank statement which will allow you to proceed through to completion of the application. If you don’t wish to do this, you will need to return to the Edunet portal and choose an upfront payment method.

How do I get in touch with zipMoney?

You can contact zipMoney Customer Care on Monday-Friday between 9am and 6pm on (02) 8003 4322. Alternatively, you may email them customercare@zipMoney.com.au.

When will zipMoney start taking payments?

zipMoney won’t start debiting your account until after your device is delivered.

I have been declined for zipMoney. Now what do I do?

Is there someone else who may be able to take up the finance plan for you? Otherwise, the only other option is to pay it upfront.
