SWIMMING CARNIVAL 2015

At 9 o'clock in the morning, Tuesday 10th February, Years 7, 8, 9, and some of the Year 10's, 11's and 12's set off to the Crib Point pool for the RSC Annual Swimming Carnival. The temperature reached 29 degrees and still every student was having a go at competing or helping in the four events; freestyle, back stroke, breast stroke and butterfly.

The Year 10 girls, Mrs Verwey and Mrs Mackenzie were on the food stall cooking up a storm of sausages and selling icy poles. Overall they made a profit of just a little under \$300.00. Mr Jones was on music, possibly making the event, with his funky tunes from all types of genres.

Everyone did a great job, but some of the outstanding swimmers that I saw were Hollie Dunstan of Year 9 who came first in all the events she went in for U15's. Kelsey Foehn who came second in freestyle and first in back stroke for the U16's. Brianna Bond of Year 11 was someone to keep your eye on for the U17's with her freestyle, back stroke and butterfly. And for Year 12 we had Jacob Raphael also known as "the Human Fish" second in butterfly.

Mr Egan, the organiser of today's event had a few words to spare for me while he was helping out with people at the end of the pool "Today has been sensational and I'm really proud of everyone that had a go. The weather has been great and the team spirit and all together feel of today was brilliant".

Today was a great day for students to show their abilities in and out of the pool, and wasn't all about winning and competing. It was about people who try and give it a go, after all you are the winner of your own race.

FROM THE PRINCIPAL'S OFFICE

Andrew Nicholls
Principal

Hello to the Rosebud Secondary College community. It is hard to believe we are now heading towards mid-term. In the last week the College has been running the "red dots" process for a number of year levels. This is an important part of our school processes to keep students on track with their studies. Students need to realise they may not be able to participate in camps or extra-curricular activities if they have "red dots" for a number of subjects. If you have any concerns regarding your child's progress please contact the school to speak to the relevant staff member.

Recently I met with a representative for the Camp Gallipoli event. This amazing event will be occurring on 24th & 25th April at the Royal Melbourne Showground, and will host 10,000 people. This event aims to replicate some of the experiences that our Anzac soldiers had during WW1. The camp is outdoors with no tents allowed and there are a range of activities during the night and a dawn service on Anzac Day. Families can book places online but must be quick as it is filling fast.

<https://www.campgallipoli.com.au/>

On Tuesday 17th February we hosted many of our new Year 7 parents at an information evening. This was an opportunity to meet many of the staff who will be working with your child over the next six years of schooling. There was also a great range of health information supplied and we outlined a new program being implemented in the school called "Safeminds", which aims to support students experiencing any mental health issues. We are holding a follow up lunch event next Wednesday 25th February, in the school hall. I encourage you to attend this, particularly if you were unable to be at the first information session. I would like to thank the local Lions Club who cooked up many sausages to welcome our families.

On Tuesday 10th February we held the annual swimming carnival at Crib Point Pool. We were lucky to have such a beautiful day which encouraged all to be involved in the water activities, which of course included many races. Congratulations to all the students involved and those who placed in various events. Many of these students will now move onto the interschool swimming competition to be held later this term. A big thank you to all the staff involved and to Pat Egan who coordinated the event.

Last week we welcomed many excited local Grade 6 primary school students to participate in our "Active Minds" program. This program aims to engage high achieving students in a range of cross curricular activities over four weeks. The feedback from staff and students has been extremely positive and we look forward to many of these students attending our College in 2016.

This year we are launching our new website which will also include a Facebook page. We advertised this in the last newsletter but experienced some delays in getting the site live. The aim of the new site is to provide clearer and more concise information and more up to date news on events and activities happening in the school and community. Check out the News and Prin Blog features on the new site at <http://www.rsc.vic.edu.au/> We are currently finalising the Facebook page and this should be active very soon.

ORGANISATIONAL MATTERS:

Year 7 Parent information lunch will be held on Wednesday 25th February at 12.35pm. There will be a light lunch provided in the school hall. This is a great opportunity for you to meet the team working with our Year 7 students.

Please make sure your child is in **correct school uniform**. If you are unsure about uniform or accepted shoe styles please check the school diary for more detailed information or contact the school. Please note that variations to this will not be accepted as outlined when a student enrolls at the College (Non- Negotiables contract).

Please note that facial piercings are not accepted and must be removed when the student is at school.

MATHS TUTORING IS BACK!!!

Free Maths Tutoring Sessions are back every Thursday
after school from 3:00 - 4:00pm
Years 7-9 Room 111
Years 10-12 Room 113
Bring your homework or come to get extra help.
Any questions, please contact the Maths Department at the College.

**Auditions for the school musical are being held on
Monday 23rd and Tuesday 24th February after school from 4-6pm.**

Sign-up sheets are in the Performing Arts foyer. Students auditioning may choose to sing a song of their choice, as long as it's from a musical (think Disney style) or an upbeat 80s type song. We are asking students to bring their own backing track on a CD or iPhone/iPod/. If students are unable to bring a backing track, they'll be asked to sing either Happy Birthday or Twinkle Twinkle Little Star with the piano. See Ms Mackenzie for more details. Chookas!

UNIFORM SHOP NEWS

Unfortunately the second order of Year 11 VCE Jumpers have been delayed and are due for delivery in TERM 2, this is due to a manufacturing fault.

I would like to apologise for the delay and thank you for your patience and will let everybody know once they have arrived.

Many Thanks

Climbing the Walls - Yr 11 Style

On Friday 6th February, the Year 11 Outdoor & Environmental Studies class ventured across to Bayside Rock in Carrum Downs to participate in some introductory climbing. At this indoor venue, students put their harnesses on and literally climbed the walls!

They really pushed themselves. Some students even had a go at climbing a stalactite formation which really left them hanging! Students were also challenged by 'caving' a series of increasingly difficult squeeze tests beneath the floor, as well as a bungee climb.

This day experience is in preparation for their next outdoor learning experience held at the end of February in the Cathedral Ranges. Here the students will spend two days bushwalking and a half day rock climbing on the real stuff!

Brooke Picot, Yr 11 OES

Students and teachers from Gamagori Senior High School, our sister school in Japan, will once again be visiting Rosebud SC this year!!

We are now looking for host families for approximately 14 students, aged 15 to 17.

Is YOUR family interested in being part of this amazing program??

The dates are **Tuesday 28th July to Monday 3rd August, 2015.**

The homestay is always a valuable and worthwhile experience, for both the Japanese student, and Australian family. Lifelong friendships are formed, and it is a chance for both sides to experience a little of a different culture.

Being a host family requires no previous experience – just a willingness to open your home and share your life with a student from Japan. They will be ‘part of the family’ and experience whatever you normally do as a family. It is also a fantastic opportunity for the Australian students to practice their Japanese, and gain some first-hand knowledge and experience of the Japanese culture.

Please complete the form below and return to Mrs Sherryn Downing,
or call me at the school on 5986 8595.

Kind regards,

Sherryn Downing

GIRLS SURF CAMP TO WILSONS PROM

By Jordy Allen 9B

Back in early December a group of keen girls took to the road and headed for Wilsons Prom on a 2 day surf camp at Tidal River. Once we had arrived we quickly set up our tents and then we headed straight for the water. The surf was small and a little choppy but it was still going to be a fun day. Mr. Morrison gave us some tips and warm-up exercises and before we knew it we were in the water shredding the waves. All the girls soon enough looked like naturals in the water and everyone had a massive smile on their faces. Dinners consisted of sausages, hamburgers and salads cooked on the BBQs near our campsites. Our night activity was a hike up Mount Oberon which everyone will remember for years to come. We fitted in two more surfs the next morning before packing up and departing for Rosebud.

A huge thankyou to Mr. Morrison, Miss. Krieger and Hayden Owens for making our camp such a memorable one, we all had a fantastic time.

ADVENTURE SURF CAMP - PHILLIP ISLAND

The week following the Girls Surf Camp a group of students headed down to Phillip Island to take to the surf and shred the local waves of Woolamai and Summerlands. An early start instigated by RSC surfing stalwart Mr Hodgson on Day 2 saw the class score glassy overhead peelers at Woolamai. Kavan Bendle and Mitchell Jessop were standouts in the surf, while Mr Marsland was the standout lifeguard making sure of student safety with dolphin-like surf sense. Camping at Phillip Island was made exciting with thunder, lightning and strong winds at night however the group was lucky to score protected waves at Summerlands beach right where the penguins parade at night time. Bailey Holt and Darcy Nigro shared the best of the 3ft peaks however the entire group had their fair share of waves. A great 3 days was had by all for the second consecutive Adventure Surf Camp, a possible West Coast Surfari is on the cards for 2015. Until then there is also talk of an RSC team headed to the State Titles...

Until then, Happy Surfing! Mr Morrison.

THREE BIG CHANGES TO THE VACCINE PROGRAM

In 2015 three major changes to the vaccine program will impact on parents of secondary school students:

1. The Mornington Peninsula Shire Council's immunisation service may contact you about the secondary school vaccine program. Schools have been authorised to provide parent contact details to local councils for this purpose. Contact the school office on 5986 8595 by 28 February 2015 if you do not want your contact details given to the Mornington Peninsula Shire Council.
2. In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.
3. The time-limited human papillomavirus (HPV) vaccine program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all students (both male and female) in Year 7 from 2015.

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s regardless of whether your child is being immunised at school. To learn more about the changes, the diseases, the vaccines, or how you can prepare your child for vaccination go to immunehero.health.vic.gov.au
