WALKING (AND TALKING) FOR MENTAL HEALTH

More than 40 students, staff and parents from Rosebud Secondary College joined hundreds of walkers last Sunday for the third annual SeaSwell Peninsula Charity Walk, which this year raised funds for youth mental health organisation Headspace.

“Our College community has felt first-hand the devastating consequences of the struggles the young can have with mental health and we support kids every day with this aspect of their wellbeing,” explained senior school coordinator Jason Albress. “We wanted to walk together to raise funds, but also awareness around the vital services needed by teenagers and young adults in this region.”

Wearing t-shirts featuring a design by Year 12 student Brigitte Hyde, almost all of Team RSC walked the 20km route, which began at Cape Schanck, followed the Peninsula Coastal Track to St John’s Wood Rd and finished at the Blairgowrie shops.

While the course takes in many of our spectacular ocean beaches, it was no stroll by the seaside. High tide meant the terrain was mainly very soft, sloping sand, making for a tough course. “I officially hate sand,” joked Year 11 student Samantha Oliver as she crossed the finish line.

“It’s a very special teenager who chooses to be out of bed before dawn on a Sunday,” said event organiser Chrissy Barrett. “To have such a big group from Rosebud Secondary College provided visible motivation for all 350 walkers, as we are doing this to help optimise our local kids’ mental wellness.”

The Team RSC Supporter Page is still open for donations to this very worthy cause. If you have a few dollars to spare please head to: https://give.everydayhero.com/au/rosebud-secondary-college

Congratulations to all our team for their enthusiastic and energetic support of this fantastic local fundraising event!

Hello to the Rosebud Secondary College community. We have had a busy start to the term with many sport teams out participating at various levels. Last week we held open night and this week we have had Year 9 students completing the City Experience excursions as part of L4L which has provided a great challenge for these classes.

Last week we held the annual open night for prospective families. This was a great night to showcase the many opportunities afforded to our students. I would like to thank the many staff involved on the night and in particular Danny Walker who coordinated the event. If families are interested in touring the College please make a booking via the front office. There is a planned tour at 9.00am on May 12th.

This week we are hosting Stephen Biddulph presentations in the SPAC on raising boys and girls. Stephen is a highly regarded parent educator and we were proud to be able to host these events for the school community. I would like to thank Nicolle Brigden who helped coordinate this event.

On April 25th the school was represented at the Rosebud and Rye Anzac Day ceremonies by our school captains who laid wreaths on behalf of the school. This was a moving ceremony given the 100th anniversary of the Gallipoli campaign. During the school week we held an ANZAC Day whole school assembly. This assembly demonstrated the great values of Rosebud Secondary College with our students taking part in a very positive way. There were some wonderful musical numbers from the Year 12 students and our performing arts class at Year 7 sang the national anthem to open the assembly. I would like to thank Geoff Pattison who organised the assembly, Geoff Jones and the music staff and Red Kennedy from the Rosebud RSL who spoke to the students and led the Ode and minutes silence. http://www.rsc.vic.edu.au/?p=1324

Many of our students participated in the annual inter school athletics at Ballam Park on Thursday 30th April. There were many outstanding individual performances and the team participated in a very positive manner on the day. I would like to thank Pat Egan and the staff who attended on the day. We look forward to seeing how our students perform at state level in the next round.

On Friday 1st May, I attended the Wannik Scholarship ceremony at the Treasury Theatre. This was a wonderful event which acknowledged the achievements of a number of Koorie students from across the state who received scholarships. The aim of the scholarships is to assist with students completing their secondary schooling and achieving their personal goals. I would like to congratulate Charlie Robbins and Shayla Murray who were awarded these scholarships.

Congratulations to the students who participated in the SeaSwell charity walk last weekend as part of Team RSC. We had approximately 40 students represent the school team at this event. Thanks to the senior team and Nicolle Brigden who helped coordinate our team. The team so far has raised over $2,000.00 for Headspace to support youth mental health services on the Mornington Peninsula.

Last week the school hosted a motivational talk from Coen Ashton. Coen has faced many challenges in life including a double lung transplant when 15 years old. Coen spoke about this and how he jet skied the length of the Murray River to raise awareness for organ donation.

Well done to our surfing team led by Brent Morrison who finished 3rd in the state at the schools surfing carnival held last week at Jan Juc. This was a brilliant effort by the students involved. Congratulations to Jordy Allen and Georgia Walker who have been selected for representative teams at the national football carnival that was to be held in WA this week.

HANDS ON LEARNING NEWS

What a great first term we have had! Hopefully everyone has now seen the Southern Peninsula Arts Centre’s (SPAC) new garden and the Rosebud High school bench seat which is currently on display near reception. These two major projects have allowed the HoL students to really show us their enthusiasm and energy they have for the program, and this is only the beginning!

Starting this term we will be taking on another garden project but this one is on a much larger scale. The Reflection garden will be situated in the 26 metre by 28 metre open space between reception and Eastbourne road and it will be the final location for the new bench seat.

We would like to thank Rosebud Engineering, Rock and Redgum, The Paint Place, Rosebud, Peninsula Timbers, Brookes Trailers and Glenvue Nursery for supplying materials and supporting our program.

YEAR 11 OUTDOOR & ENVIRONMENTAL EXCURSION

On Friday the 17th of April, the Year 11 Outdoor and Environmental Studies class went on a Sea Kayaking day-experience from Shoreham to Flinders Pier. As part of our Area of Study 2 requirements, we had to investigate and plan a practical outdoor experience and analyse relevant information needed for our day out. We discovered that the equivalent of 4 periods of school time was not enough, but still had a great time out on the open sea. The weather was ideal, the sun wasn’t out, so we weren’t boiling hot in our wetsuits, although we still needed to make sure we sun screened up. It wasn’t windy or freezing cold, perfect enough for our first kayaking journey. It was very exciting coming up to the date, considering not many of us have kayaked on the back beaches of the peninsula, including our teacher Mrs Picot. As a new experience, I am usually keen to push my limits, it was pretty interesting to see my classmate’s reactions. Not many of them really liked it mainly because they were splashing each other and got cold, but I really enjoyed it. The best part I thought were the massive waves we were going over, because they hadn’t broken yet it wasn’t too scary. It really aligned with what we had been studying; ‘Nature as a theme park.’

IDAHO

International Day Against Homophobia and Transphobia (IDAHO, pronounced IDAHO) is about showing your support for same sex attracted, intersex and gender diverse students, teachers and families right across Australia — and the world.

At Rosebud Secondary College, IDAHOT day will be celebrated on Monday 18th May with a rainbow themed casual dress day.

This IDAHOT Day we’re encouraging everyone to be better allies to same sex attracted, intersex and gender diverse students all over Australia.

Research shows that schools that try to be better places for same sex attracted, intersex and gender diverse students actually achieve better results. IDAHOT can be the perfect opportunity to start making small changes in order to make a big difference.

In 2014 over 1500 organisations and schools around the world hosted events to draw people’s attention to the discrimination still faced by same sex attracted, intersex and gender diverse people.

So this year for IDAHOT Day students and teachers are encouraged to wear rainbow themed casual dress on Monday 18th May to show support and help spread awareness of diversity throughout schools and everyday life.

A Gold coin donation will be collected for this event.

(Please note: Casual dress is not to include hooded windcheaters, jewellery, body piercings or make-up)

ROSEBUD SURFERS SHRED THE STATE TITLES

On Friday May 1st the Rosebud Secondary College Surf Team headed to Jan Juc to compete in the Surfing Victoria’s State School Surfing Titles. It has been at least a decade since the last Rosebud Surf Team competed in the State Titles and expectations were mixed as some members of the team had not surfed in tag team schools surfing competition. The team was well supported by back up surfers and two parents who played an important part in team management and strategy throughout each heat.

The first heat saw our surfers up against schools from Portland, Heywood and Northcote and to the teams delight we won convincingly. Our confidence grew as team riders Harry Phillips and Keean Manning found the longest rides and all members of the team worked well under time pressure to ensure all possible bonus points. After winning Heat 1 we were directly elevated into Semi-final 1, the team again worked like a well-oiled machine as back up surfers Felix Ruch, the Dell twins, Charlie Wookey and Chester Guest did everything they could to ensure fast surfer changeover out of the tag team box. Lily Wills improved on her heat 1 result riding two waves with style on her blue board however it was Gully Steelhead who stole the show with an impressive aerial display as he boosted an air reverse (360 air) which made the crowd roar and impressed the judges to ensure the team went through to the state final.

For the final the tide had dropped and the cross-shore breeze increased making conditions testing for all surfers. Mitch and Troy Jessop were both quick to get waves which enhanced the opportunity for other senior surfers to have greater wave selection. Kavan Bendle found two nice peelers and under time pressure Harry Phillips closed out the heat in style with a layback snap and returned to the tag team box to ensure all possible bonus points. As a result of the team’s training, performance and team-work on the day, Rosebud Secondary College placed 3rd in the Victorian School State Final for 2015. Wonthaggi Secondary College won the event with Surf Coast College coming second, they are both in the sights of the surfers for the 2016 competition.

Thank you to RSC staff member James Marsland for assisting in the training sessions and parent Darren Jessop for assisting in training sessions and being team support on the day and Surfing Victoria for putting on the event. All surfers were fantastic representatives of the college and are stoked on their epic 3rd place!

Happy Surfing, Mr Morrison.
