SCHOOL UNIFORM REMINDER

We would like to remind our school community about the School Uniform Policy at RSC. We have a growing concern about a small but nevertheless significant number of students wearing non-uniform items.

Our Rosebud Secondary College Uniform Policy is compulsory. Wearing the uniform aids in developing a sense of unity, in creating a positive image for the child and in establishing the identity of the school within the wider community.

Items that need particular attention include:

Jumpers - need to be the school approved green or grey for our VCE students

Socks - are to be grey or white.

Shoes - are to be black, leather, heeled, with laces.

Facial piercings – are not permissible at all.

The full uniform policy can be found on the College website under 'Our Essentials'.

http://www.rsc.vic.edu.au/?page_id=138

During Term Four, all staff will be monitoring students' uniform. If students are not in correct uniform, Rosebud Secondary College will work with families to rectify the situation.

If continual breaches of the school uniform policy occur, then a student will face consequences as outlined in the student code of conduct. A copy of the code of conduct can be found in the 'New Student Handbook' on the College website.

http://www.rsc.vic.edu.au/?page_id=136

The College Uniform Committee is undertaking a review of the student uniform and is calling for suggestions from our community in order to further improve the policy.

Thank you for your support.

PRINCIPAL'S NEWS

Hello to the Rosebud Secondary College community. This week we held parent teacher interviews and used our 'Attitudes to Learning' reporting for the first time. The feedback so far from students has been very positive and we hope this will foster conversations about learning and the key skills needed to demonstrate this. We gathered feedback on the day regarding the new format and we will be using this as part of the finalisation of the semester based reporting format. Reports are available via Xuno and we have prepared some parent information and a video that gives you a more detailed understanding about these changes.

<http://www.rsc.vic.edu.au/?feature=new-attitudes-to-learning-reporting>

Next week our students will participate in the state final of the Wakakirri dance challenge. It was fantastic to see our student's progress again with another powerful piece based on the Holocaust. The success is a credit to the students and staff involved in this great challenge and we wish our team the best of luck next Wednesday night at Hamer Hall. Check out the great video by Yanni Dellaportas on our Facebook page.

Last Friday we held a Father's Day Breakfast outside the main hall. Thanks to all those who attended and our great cooks who assisted, Geoff Seletto, Sam Arfi, Marshall Oppy and Mel Wyatt.

Arthurs Seat Challenge is on Sunday 8th November 2015. Early Bird entries have been extended. Students who pay at the school will pay only \$20 entry fee. If you pay online or on the day and it is \$30. Entry forms are available at the front office or online at the link below. Money raised through this important event is used to provide the traffic safety program 'Fit to Drive' for Year 11 students.

We are also calling for student and parent volunteers for the Arthurs Seat Challenge. If you would like to be involved as a volunteer (water station, set-up / pack up etc) please give your contact details to the front office and you will be contacted by the school. The more volunteers we provide reduces the cost for the Fit to Drive traffic safety program delivered to Year 11 students at RSC. By volunteering you will be making a worthwhile contribution toward reducing road trauma in our community. Please get involved in this great cause for our students and the community.

<http://www.arthursseatchallenge.com.au/>

Last week we held the second of our two Presentation Balls. This was a wonderful night for all involved with our students having a great night demonstrating their dance skills in front of family and friends. The dances again demonstrated all the hard work had paid off. I would like to thank Robyn Van Lieshout and her team of helpers who have once again coordinated this event with great success.

ORGANISATIONAL MATTERS

Term 3 finish: 2:12pm with bus times adjusted

Mobile phones at school:

While we are living in a rapidly changing world and understand that many students carry these devices on them it is important they are respectful regarding their use during class time. **The College does not tolerate student's texting, ringing, receiving calls or using a phone for other purposes during class time for any reason and will support staff who encounter problems with this.** This can mean that a phone will be confiscated and stored in the front office for collection via the student or parent (second offence). If you have an important reason to contact your child during the school day we ask that this be done via the front office.

Skoolbag mobile app communicates directly to parent smartphones.

Skoolbag integrates with your School Website. Update your site, and Skoolbag mobile app all at once!

For Parents

If you are a Parent and your school has Skoolbag, you can install the app on your phone or tablet device by following these instructions:

For iPhone and iPad users:

1. Click the "App Store" icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. You will see your school appear, click "Get" then "install".
4. The app is FREE to download.
5. When installed click "Open"
6. Select "OK" to receive push notifications, when asked.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

For Android users:

You must first have signed up with a Google Account before installing the app.

1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the "Install" button.
5. Click "Accept" for various permissions (please note, we do not modify any of your personal your device).
6. Click "Open" when installed.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

Please Note: Some brands of Android phones need the setting in "Notification Manager" changed to "Allow" instead of "Notify" in order for the push notifications to work. The phone must also be running at least version 4 system software to run the app.

CAMPS SPORTS EXCURSIONS FUND: APPLY NOW

We previously advised that applications had to be lodged before Friday 26th June 2015. This has been extended until 15th September 2015. So check out the eligibility requirements on <http://www.education.vic.gov.au/about/programs/health/Pages/csef.aspx> and if eligible, get your applications in as soon as possible. The sooner you lodge your application at the office (we need to copy your concession card or DHHS letter for foster parents), the sooner funds can be allocated to your child's camp, sport or excursion charges. For those who lodged applications last term, your funds should be in your school account. The CSEF fund is paid to eligible families with students in Years 7-12 and unspent monies can be rolled over to the following year.

WANT TO GET A HEAD START ON 2016 or HELP WITH 2015?

Did you know it is only 8 school weeks until students begin Jumpstart?

During the last school holidays many eligible families should have received their final payment of the SchoolKids Bonus. A payment from the Federal government to assist families with the costs of educating their children.

Funds received can be transferred to your account here at school and can be used towards the purchase of items on the booklist from Lamont, uniform items from Neumann Clothing or for paying the Essential Education Items charge for your student. This can be done using the BPay information on the bottom of your financial statement or if you prefer to use direct credit, contact the school for bank details and reference code, to readily identify your deposit.

VET PROGRAMS IN 2016

Letters to parents confirming your student's choice of VET program in 2016 and the associated costs will be **posted out to parents** during the last week of term. The letter will outline payment costs and due dates, as well as the options for establishing a payment plan with the College.

Students should have already paid a \$50 deposit with their Expression of Interest Form to be enrolled with the program provider. Enrolments will occur early in Term 4.

If you believe your student has included a VET program in their 2016 course and you do not receive a VET information letter, please contact the Careers Office as soon as possible.

TERM 3 OUTDOOR & ENVIRONMENTAL STUDIES UPDATE

This term we have had over 100 students from Years 9-12 OES classes participate in alpine snow Experiential Learning Programs (ELP's - *Experience Based Programs*). These ELP's have ranged from day visits to Lake Mountain, lodge-based adventures at Mount Baw Baw and snow travel/camping experiences out at both Mount Baw Baw and Dinner Plain/Mt. Hotham. Living these experiences allows our students to fully investigate theories and concepts studied during the OES Academic Learning Program at school while continuing to develop as young individuals.

Students participated in a range of activities including navigating cross-country ski trails on snow shoe and cross country ski, igloo building (Thanks Chief Foreman Ziggy!), snow cave digging, summit exploring, environmental management talks and some have learnt to ski or snowboard for the first time.

All of the above occurs while the OES classes live in and with the magnificent Australian outdoor environment, whilst trying to leave the most minimal impact possible on the outdoor environment so such rich experiences can be enjoyed by future generations. Having such experiences fuels our student's connection to the outdoor environment, which we are all part of and reliant upon.

Thank you to all staff who assisted in the programs and to the students who took on challenges and acted as respectful young adults while representing the college in the community. I hope readers enjoy the attached photos and the following article by Yr. 10 OES Student Hannah Clayton.

Happy Spring Skiing! Mr. Morrison

MOUNT BAW BAW CAMP

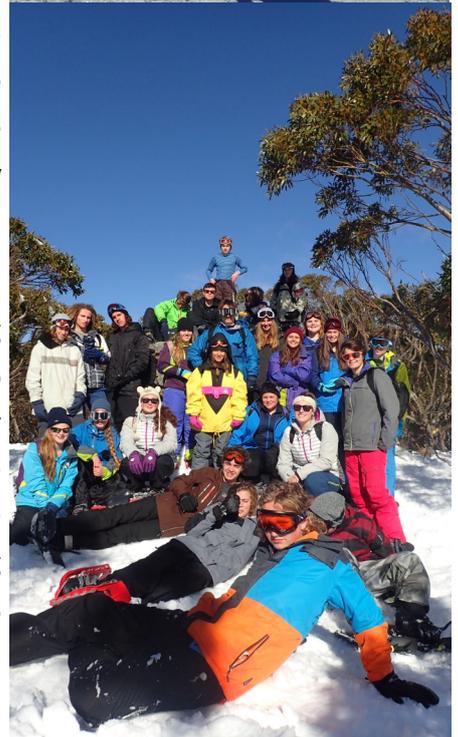

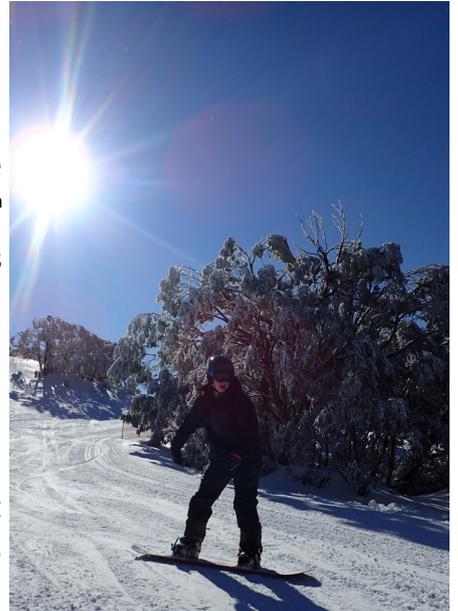

By Hannah Clayton 10B

The two Year 10 Outdoor & Environmental Studies classes enjoyed the experience of going to Mount Baw Baw for three days between the 17th to the 19th and the 19th to the 21st of August. For many students this was their first time at the snow so it was a lot of fun mucking around with snow ball fights as well as participating in a snow shoe walk and either ski or snowboarding lessons.

The snow shoe walk was quite tiring and I was amazed by how hot it got even though we were walking on snow. It was really beautiful with the snow hanging in the branches of the trees and sparkling in the sunlight. At one point we were able to judge the depth of the snow when we came across a picnic table that didn't even reach our knees and the seats were completely buried. In the afternoon it was good to be able to return to the lodge where we were staying to get warm and dry again.

The next morning we were all booked into either ski or snowboarding lessons. We had a couple of hours in the classes and were then able to go wherever we wanted to on the mountain. It was very challenging for a start and we spent a lot of time falling over. The first time I went to the top of the Summit Run I found it terrifying but heaps of fun. For me the hardest part of skiing to remember was to brake when I started gaining speed instead of just falling over. As everyone's skills started to progress we were able to try harder runs and new tricks.

The lessons on the last day gave us the opportunity to work on our technique and skills further. We then had more free time to keep on practicing going down the runs. Before we knew it, it was time to drive back home again and wave Baw Baw goodbye. The camp was a great way to learn about Alpine Environments as well as to enjoy the challenge of skiing and snowboarding.

2015 RSC PRESENTATION BALL

The Year 11 2015 Presentation Ball was held over two nights at the Chelsea RSL, on the 21st and 28th August. It was a pleasure working with both groups in the lead up, who demonstrated a fantastic attitude, were enthusiastic and behaved extremely well throughout the process, along with being very entertaining while they developed their dancing. We have been very proud of their efforts and their teamwork, showing maturity in working with their partners throughout the rehearsals.

It was fantastic to see such a large number of parents, family and friends supporting them. A big thank you goes out to their parents who have supported their children both financially and emotionally so they could attend the night. We trust that the parents enjoyed the nights as much as their children did and hope it will be a memorable night for all of them for a long time to come.

A big thank you goes out to Robyn Van Lieshout who works tirelessly to put this night on as well as the dance instructors who moulded and sculpted the couples into 'seasoned' dancers and other parents and helpers who supported behind the scenes.

The presentation ball has been a great opportunity for this group to become more connected and I'm sure that all of those students involved would recommend the experience for subsequent year levels. Our year level leaders are to be commended for the way they spoke, on the first night Ricky Walters and Samantha Farquer and on the second Dash Richardson and Madi Berndt.

SAFE TRAVELS TO RSC STUDENTS: INDONESIA TRIP

We are headed off to Indonesia for the 2015 Indonesian Study Tour 10th -22nd Sept

Harmony Week 2015

Next week Rosebud Secondary College students and staff will celebrate Harmony Week, which is when we as a school community state that we reject racism and discrimination in all forms and believe in diversity, equality and acceptance. On Monday we will hold a special assembly, which will feature: Year 12 student Ethan Phan giving his perspective on the Federal Government's asylum seeker policy; musical entertainment from our College concert band; and a much-anticipated performance from our Wakakirri dance group of their award-winning piece 'One of Us'. Parents and friends are invited to attend this assembly which will begin at 12 noon in Hillview Stadium. On Friday we will hold a lunchtime festival in our Central Courtyard, with food stalls, face painters and professional musicians adding to the end-of-term fun. Wishing everyone a very happy Harmony 😊 Week!

HANDS on LEARNING

What a busy couple of weeks we have had! With the 40 cubic metres of topsoil now spread out around the reflection garden, we can start to focus on finishing off the native gardens, lay the steel edging, spread the 10 cubic metres of mulch and get the turf laid out. Once this is done, our construction site might start to resemble a garden! Hopefully! 😊

With holidays just around the corner, we are planning a couple of trips out to the wetlands. We have a few jobs that need finishing off out there, and now that the weather is starting to warm up, we need to see them completed.

Book Week 2015 - Books Light Up our World

One of the highlights during **Book Week** was our author visit. Many of our students love to draw and read graphic novels, in fact it is the fastest growing section of the fiction collection; so **Mandy Ord** was very well received. Mandy was informative and entertaining. Her presentation was filled with amusing anecdote, as she took our students on her journey from being a kid who loved to doodle to becoming a published cartoonist. Mandy reminisced about the comics and cartoons she enjoyed as a child and how that developed into a love of telling stories through images. After she explained the various genres within comics/graphic novels and described some of the techniques she employs, the process of getting her stories published was then outlined. Hopefully the students will be given the opportunity to create story boards either in their English or Art lessons before the end of term.

As a part of the **Living Library** event, members of the wider community were invited into the library to tell their stories to the students. With the view to re-ignite the art storytelling, small groups of students were given the chance to engage in conversations with their chosen 'living book' who told stories about their lives. The event provided RSC students with a safe, positive and friendly environment for these guests to educate and inspire.

Many students were curious about the **flash read** in the courtyard where some of our staff gathered to read while sitting in the sun during recess, while others folded love hearts into pre-loved books which may possibly end up becoming lovely Father's day presents! The winner of the 'match the teacher with their favorite fictional character' **quiz** was Ellah Goldsbrough who is the lucky recipient of a voucher from Antipodes book store in Sorrento.

Some of our junior students went on a '**blind date**' with a book, many wore **badges** about their favorite books and our '**most improved**' readers were awarded prizes for putting in their best effort in the Read Every Day program. Just in case you haven't seen the display on the library office window of the **Children Book Council of Australia 2015** award, the winner is *The Protected* by Claire Zorn and honors were given to *Nona & Me* by Clare Atkins, *The Minnow* by Diana Sweeney and *Two Wolves* by Tristan Bancks.

The 2015 National Book Week celebrations would not have been possible without the vision and dedication of the RSC library team: Michelle Peck - Library Manager, Nicolle Bridgen & Sam Jeacle - Teacher Librarians and Jen Walker & Heather Graham - Library Assistants.

YEAR 7 BASKETBALL

The Girls team dominated the competition at the recent Southern Peninsula District championships. They had easy wins over Dromana, Mornington and Mount Eliza.

The girls were able to use their size to advantage and with slick team work had every other team covered. It was a really even performance with all girls contributing to each of their wins. Goals were shared around which was pleasing and it made defending difficult for the other teams.

Congratulations to Bree Peirce, Tayla Chrystie, Amy Holmes, Tara Bond, Taylah Fanshaw, Rhiannon Murray, Paige Gibson and Charlotte Weston. (L to R in photo)

The Boys team acquitted themselves really well also, but they were just edged out by Mornington in the Grand Final. Mornington grabbed the lead and were able to hold on with some strategic time usage as the Rosebud team was finishing strongly.

Well done all members of the boys team, Max Dunston, Ethan Llewellyn, Oscar Richards, Liam Tidd, Jed Hall, Charlie Stokes and Cameron Jack.

Well done to all members of both teams for the fine way they fought out their games. Big thanks to Campbell Hustwaite, Olivia Okey and Kyle Llewellyn for their work in coaching the teams.

Plenty to look forward to next year.

On the 2nd September students from Year 7 participated in an interschool sports day. The Rosebud boys were defeated by Dromana and Mornington club champions early. After a few gallant defeats, the team rose above to claim victory against Mount Eliza and Somerville. Brodie Winsor's strong forehand, and Kean Manning's double handed backhand caused stress amongst their rivals. The Rosebud girls claimed victory against Somerville and Mount Eliza, but were defeated by a strong Mornington team. The whole team showed great sportsmanship all day, and even helped out an opposition player having a bad day. Well done to all!
