WELCOME YEAR 7 STUDENTS

One hundred and thirty three eager Year 7 students turned up on the first day of school and all have settled in very well. They have been kept busy with Volleyball/Baseball at Lunchtimes, Swimming Sports, working out timetables and where to go, catching buses, visiting the Library, using their computers, doing classwork (of course) and going down to the beach! Leaders have been called for (some announced) and all the students have been told to get involved with as many activities as possible to get the most out of their secondary schooling. I’m looking forward to meeting all the parents on the Parent Information night, Wednesday 17th February, starting with a sausage sizzle at 4:30pm.

Mr Glenn Powell (Assistant Principal)

‘I have enjoyed discovering new things at this school and am looking forward to the rest of my years here.’ Pippa Dowling 7E

‘Year 7 has been a blast so far. I like how we change rooms and subjects, unlike primary school. I have liked meeting new people and making new friends.’ Amy Croad 7E

‘So far I have enjoyed Year 7 with all my teachers and peers, I have loved it all so much.’ Ben Brown 7E

‘Starting at Rosebud has been exciting and also confusing. It’s only confusing because of the time tables and the buildings but besides that it’s very exciting and all the other students before me are very welcoming.’ Hope De Graauw 7A

‘Brodie and I have been enjoying High School very well. We both think that it’s much better than Primary School in many ways, for example better education, meeting more friends and just better in general.’ Seb Smith-Shiba and Brodie Reeves 7C

‘Starting at Rosebud has been so much fun. The teachers are very helpful and the computers are helpful in a lot of classes. The locker system works extremely well (if organised). The extra programs are an amazing opportunity.’ Riley McShane 7C

‘Year 7 for me has been awesome! Meeting new teachers, making new friends and also how the school loves sport. One of my favourite things about Year 7 is having all the older kids introduce themselves.’ Tom Powell 7E

STUDENTS WHO ARE UNWELL

A REMINDER TO ALL PARENTS (AND STUDENTS TO NOTE). IF YOUR CHILD IS UNWELL THEY ARE TO GO TO SICK BAY FIRST

STUDENTS ARE NOT TO PHONE THEIR PARENTS. STUDENTS WHO DO WILL BE IN BREACH OF SCHOOL RULES AND THIS WILL LEAD TO CONFISCATION OF MOBILE PHONES

JENNY BUCKLEY, SICK BAY COORDINATOR, WILL CALL PARENTS IF THEIR STUDENT IS UNWELL AND NEEDS TO GO HOME

ROSEBUD SECONDARY COLLEGE HAS A CLEAR MOBILE PHONE POLICY:

Unless directed by a teacher for a specific education purpose, all mobile devices including iPod's & mobile phones should be switched off at school.

Where a teachers direction is not followed, electronic devices will be taken for the day and returned at the end of the day. In the case of repeated transgressions the device will be returned to a parent.

NEW KEYED PADLOCKS

For students purchasing new laptops in 2016 it is recommended that you purchase a new keyed padlock for their locker.

These cost $30.00 and are available to purchase from the front office now.

Replacement keys will be available for purchase if needed.
Hello to the Rosebud Secondary College community. Welcome back to the new school year. At our first whole school assembly I spoke to the students about making the most out this year and their time at Rosebud Secondary College. There will be many opportunities for our students to participate in various activities along with completing their academic program. I would like to welcome the following new staff members to the College:

Blythe Dwyer: Japanese
Jessica Simpson: Indonesian/VCAL (leave cover)
Derek Kirk: Science/VCAL
Clorinda Siemienowicz: Head of Student Wellbeing
Benjamin Ratcliff: Adolescent Health Nurse
Keetah Evans: Humanities
Bindhu Rajendra: Science
Sibila Rodriguez: Art/Media (leave cover)
Teresa Carey: Literacy Aid

I would like to congratulate the following students for being elected as senior leaders during the recent senior study conference. I look forward to working with our leaders over the year ahead.

School Captains Hamish Swayn and Natasha Lincoln
Vice Captains Toby Nelson and Georgia Walker
VCAL Leaders Luke Colombo and Brylee Robinson

This week we are calling for new parent representatives on College Council. There are a number of vacancies due to some parents having their children finish at the school. I would encourage parents to consider this important role and see the more detailed information included in this newsletter. Nominations close on Friday 26th February. An election will be held if required from Friday 4th March. More information can be found at: http://www.education.vic.gov.au/school/parents/involve/Pages/schoolcouncilguide.aspx

Last year we were very pleased with our VCE and VCAL results and celebrated with families at the valedictory dinner held at the New Peninsula Centre. This was a wonderful event and we were able to highlight the great range of achievement from our VCE and VCAL students.

Highlights of our outstanding VCE results were as follows.

1 student gained 99+ ATAR
4 students gained 95+ ATARS (5 total)
4 students gained 90+ ATARS (9 total)
12 students gained 80+ ATARS (21 total)

Congratulations to our DUX Cooper Corbett who received an ATAR of 99.25 and Mitch Towers who received a perfect study score in Physical Education. We had 87% of students receive their 1st or 2nd preference for tertiary offers. I would like to congratulate all the students on completing their VCE or VCAL certificate and we wish them the best for the future.

This week we have sent out new Compass login details to each family. If you have not received one please contact the College ASAP. Compass is the main method of communicating information and will contain other information such as past reports. Eventually we will be using Compass for other tasks such as excursion approvals and report day bookings. One of the main features of Compass that will be of use to students and parents is the ‘Learning Tasks’ module. This module will provide unit work, feedback and assessment on various tasks throughout the semester. This will complement our new ‘Attitudes to Learning’ reporting which focuses on learning habits and progress. More detail on your child’s work such as grades and feedback will be in this part of the portal. Please be aware the rollout of various features will be staged though the year as we fully implement this great program.

On Tuesday 9th February we held our annual swimming carnival at the Crib Point Pool. We had beautiful weather for the day and the students participated in a positive manner. There were many great swims and fun throughout the day. I enjoyed presenting ribbons on the day and talking to the students. A big thank you to Pat Egan for coordinating, Brent Morrison who was MC and all the other staff and parent helpers who assisted on the day.

Congratulations to Year 9B students Jemma Tolson, Liam O’Brien and Patrick Nickeas who attended a forum at Melbourne University as part of our SEAL (Select Entry Accelerated Learning) Program. The students engaged in various activities with other SEAL students from around Victoria.
FAMILY FINANCIAL STATEMENTS

Earlier this week Rosebud Secondary College sent out Family Statements. Included with the statements was CSEF application forms. For more information regarding CSEF and to see if you are eligible, please see page 10.

If you have any questions regarding your family statement or if you haven’t received a statement please call the Front Office on 03 5986 8595.

STUDENT ACCIDENT INSURANCE, AMBULANCE COVER ARRANGEMENTS AND PRIVATE PROPERTY BROUGHT TO SCHOOLS

This is a reminder to parents and guardians of students:
if you do not have student accident insurance and/or ambulance cover, then you are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs.

Private property brought to school by students, staff or visitors is not insured and the Department does not accept any responsibility for any loss or damage.

Student accident insurance/ambulance cover policies are available from some commercial insurers. Should you require assistance in this matter contact an insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.

1:1 LAPTOP PROGRAM 2016

Following the success of the 1:1 laptop program in Years 7 and 10 in 2015, Rosebud Secondary College is proud to extend the program to all students for this year.

It is expected that these devices will be used as a tool for learning in many classes across all year levels, from next year onwards. It is highly recommended for families to purchase a device for their children.

There are two devices available, both are Lenovo 11e Yoga laptops with the advanced option including an active stylus. The devices are available through the College’s website by clicking the Edunet logo. You will then be re-directed to the purchasing portal. The direct address is http://rosebudsc.technologyportal.com.au/.

The password for access is RSC.

Further Questions
If you have any questions about the program please either visit the College’s website (www.rsc.vic.edu.au) and select the 1:1 Laptop link, or contact Adam Vardanega at the College 03 5986 8595.
STUDENTS RULE THEIR KITCHEN

MITCH & LAURA – My Kitchen Rules contestants

Congratulations to Mitch and Laura Skvor, recent former students of our college, and now the youngest ever contestants on the channel 7 reality television cooking show ‘My Kitchen Rules’. Laura, 19, is currently studying Languages and International Studies and Mitch, 21, is studying Paramedics.

Their first dinner party was most impressive, scoring highly with the other contestants and the judges.

Best wishes for future successes in the competition and with your food dreams,

The Food Technology Department

SCHOOL PHOTOS NEXT WEEK

Arthur Reed Photos will be coming to our school February 18, 19 and 22 to photograph all students. Photos can be ordered online from www.arphotos.com.au or by using the order envelope provided with payments of cash, cheque or credit card as in previous years.

Years 10 to 12 students will be photographed on Thursday 18th, and Years 7 to 9 on Friday 19th. The Year 9 students out on camp that week will be photographed on Monday 22 February. As always, students will be expected to be in full school uniform.

Please note that envelopes are given to the photographer on the day of photos and if paying cash the correct money must be inside the sealed envelope.

STATE SCHOOLS’ SPECTACULAR

The 2016 State Schools’ Spectacular applications have been given to all interested students and who are wishing to participate in this year’s dance performance at Hisense Arena on Saturday September 10th. This program involves weekly rehearsals of professionally choreographed dances, as well as several excursions to rehearse in Melbourne.

Thank you, Miss Leah Willis

PARENTS AND FRIENDS ASSOCIATION

New to the school and looking to be involved in contributing to what goes on at Rosebud Secondary College? Are you an existing parent who feels that you are ready to become involved with this group to help fundraise and plan to run events for the betterment of our students?

We would welcome your interest and involvement, and invite you to our first meeting for the year on Tuesday February 16th at 5pm. Bring a friend!

WELLNESS PAVILION UPDATE

A big thank you to Jack O’Brien, Mitchell Keegan, Joe Pardy and Daniel Taleb for their work in producing a short film to promote the Wellness Pavilion project, to be screened at this weekend’s Peninsula Short Film Festival. Steve Bastoni, Megan Pascoe and David McIntosh were available to mentor the boys through the process of film making, and their assistance was made possible by the support provided to the festival by Rosebud-Rye Rotary.

Come along to enjoy the festival this Saturday, and see the work of a group of our students. It makes a strong and clear message to highlight the importance of building this facility for not only school student use, but for the wider community as we aim to provide a place of calm, helping our students to become the best version of themselves. The call is out there for action, and the college website contains the links to directly give time, money or materials to the build.

UNIFORM SHOP NEWS

We are excited to announce that coming to the uniform shop in 2016 will be an additional new style of GIRLS sports shorts. They are available now at a cost of $30.00 each.

OPENING HOURS: TUESDAYS: 8.30AM-11.30AM THURSDAYS: 12:00PM-4:00PM
YEAR 11 BIOLOGY EXCURSION

On Tuesday 2\textsuperscript{nd} February, the Year 11 Biology students attended an excursion at the Gene Technology Access Centre (GTAC) to further explore cell structure using a variety of methods. The highlight of the trip was staining and observing individual cell structures using a Fluorescence microscope. Many thanks to all students who attended and Mr Setnik who organised the trip.

HANDS ON LEARNING

After the summer break, it is great to see the Reflection Garden looking so good! There is a bit of weeding required, but I am impressed at how well it has all grown, especially the lawn.

Hands on Learning is going to be busy again this year with some fantastic new projects, with some of these already starting! You might have noticed there is a few truck loads of soil near the western end of the school grounds, this will be shaped over the coming weeks into our bicycle skills track (pump track), and behind this we have started excavating a recreation/cross country trail which will meander around the back of the oval, providing approximately a 700m circuit. This area will then be landscaped and planted out with local indigenous species, similar to the Reflection garden. Both these projects are being sponsored by the Bank of Melbourne as part of their community grants program.

We are also looking at installing a small glasshouse, this will provide seedlings to the vegetable gardens plus we will grow on native seedlings to plant out around the school grounds. There are a few other projects based around providing more shaded seating within the school grounds, but we will provide details of this in future newsletters.

Any students interested in joining us up at the HOL Shed should talk to their parents and Year level co-ordinators!

Cheers,
The HOL team
What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

For most school councils, there are three possible categories of membership:

A mandated elected Parent category - more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not engaged in work at the school.

A mandated elected DET employee category - members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

An optional Community member category - members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.
What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

- Ask the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

OUR VACANCIES

Parent Category  2 vacancies for the period March 2016 to February 2018
                    1 casual vacancy for the period March 2016 to February 2017

Nomination forms and self-nominations forms are available to collect from the office.

In the past week all families should have received a letter in the mail with information regarding our change to the Compass – learning management software. This letter included your individual Login details.

The new software includes many of the features you will have become accustomed to in the past years, such as student attendance, report access, Parent teacher interview bookings, and communication.

The new system also has feature that allow parents to approve student absence online, update details and in the future approve and pay for school activities such as camps and excursions.

One of the main focus points is the further integration of our 1:1 computer program. Teachers will be progressively loading student classroom resources, learning tasks and assessment outcomes onto the system. These will be available for students and parents to see from their home computers and laptops. This feature will complement our new reports with specific assessment information such as exam assignment results.

If you have not received your login details or have any questions please contact the college.
Hello to our families from the Rosebud Secondary College Library team. My name is Nicolle Brigden and I am thrilled to be Head of Library in 2016. I have been teaching English and ESL at Rosebud since 2004, joined the Library team last year and I will gain my Master of Education (Teacher-Librarianship) at the end of this year. I am passionate about the vital role that librarians play in skilling our students, as they grow up navigating the complexities of the Information Age. I am also a lifelong book lover and podcast enthusiast who finds nothing is more engaging than a well-told story.

In particular I would like to welcome the College’s new students to visit our Library, and have already met many of our Year 7 students, all of whom have started getting to know the Library through the Read Every Day (RED) program. The RED program encourages students to continue (or develop) the daily habit of reading for pleasure, for the many learning benefits this brings. This semester all Year 7 students participate in the RED program by coming to the Library twice a timetable cycle (fortnight) in their English classes, and doing at least 20 minutes reading away from school as their homework for this subject. All Year 7s have been given a letter to bring home explaining the RED program; parents who have not received this letter can also read it via the Compass parent portal.

At the end of last year some modifications were made to the Library layout, including the installation of an eight-socket ‘Charge Point’. While the expectation is that students arrive at school each morning with a fully-charged laptop, should they need to charge their device during the school day, they can now do so ‘no questions asked’ at the College Library. We have also established a self-service games area with Uno and playing cards, chess boards, Connect-4, Jenga, Pick-up-Sticks, Scrabble, Sudoku, coits and other games for students to play at recess and lunchtime.

The Library is open to students every day from 8:45am, all of recess, from 1pm at lunchtime and after school until 3:30pm. As well as play games, at these times students can browse, borrow and return Library resources, access desktop computers and the College’s Wi-Fi network, print and photocopy class materials, relax and read books, newspapers and magazines and get help with research and inquiry tasks from one of our teacher-librarians.

The Library will also be the venue for a wide range of lunchtime activities this year, for students to access as interested. This week we hosted our very first ‘Thursday Chill’, which offers students a ‘tech and talk-free space’ with music, mindfulness colouring-in and yoga, run by our multi-talented Junior Sub School Curriculum Leader and qualified yoga instructor, Mrs Furness.

Planned future events include short films and TEDtalk screenings, craft activities, a student book group and discussions on aspects of health and wellness. All students are welcome to attend these events, which are promoted through the bulletin and the Library noticeboard.

The Library team is looking forward to a busy year supporting the literacy, learning, progress, wellbeing and success of all our students throughout 2016 and beyond.
WORK EXPERIENCE ORGANISATION 2016.

Congratulations to the students who have found placement for the Work Experience week. There are still quite a few who have not and these students now need to make every effort to find one.

*The dates for Year 10 Work Experience in 2016 is the week of April 18th – 22nd 2016.*

Once students have found an employer they need to come to that careers office ASAP to get the small form to tell us where they are going. This is to be done by Careers Office by Friday, the 19th February 2016. Once this is done, we will generate the official documentation to be signed by the student, parent, employer and then returned to the career office for us to get the final approval from Mr Nicholls.

****ALL students need to complete a Safe@work OHS General Module in preparation for Work Experience.****

Not all Year 10 students have completed this task at school as a number of students were absent during Jumpstart. Students should check with the Careers Office as soon as possible if they have any doubts about their OHS General Module. **We will organise time in the coming weeks to work with students to complete the most appropriate industry-specific safe@work certificate. Students cannot participate in Work Experience in 2016 without completing the OHS Modules.**

**WHITE CARD (CIC—Construction Induction Card) Training for 2016 Work Placement & Work Experience Students**

Any student planning to complete any form of work experience/placement on a building site need to complete white card training. This includes occupations such as carpentry, plumbing, electrical, plastering and landscaping on new building sites.

To enable students to achieve this qualification which relates to “working safely in the construction industry”, Rosebud Secondary College has organised an Accredited Training Organisation to deliver the training at the College on **Wednesday 24th February 2016, 9:00am – 3:30pm.** Students need to pay $60.00 to the College Cashier no later than **Friday 17th February 2016.** This is a significantly reduced price and will enable students to complete casual and part time work on building sites in the future. The White Card lasts indefinitely.

**STUDENTS WHO DO NOT COMPLETE THE WHITE CARD TRAINING WILL NOT BE ABLE TO UNDERTAKE WORK EXPERIENCE ON BUILDING SITES AS PER DEECD GUIDELINES**

**ATTENTION 2016 VET STUDENTS**

There have been some issues with the enrolment process for some students attending Chisholm courses. Students/parents should have been emailed over the holidays to follow the link to an enrolment completion form. We are working with students to complete this but if this is not done before commencement of the course, enrolment could be in jeopardy. If in doubt, contact the careers office.

The VET bus will be running from Wednesday 10th of February, departing RSC at 11:45. Students will need to find their own way home from their courses.

Any queries contact The Careers Office at Rosebud Secondary College on 03 5986 8595

Canteen Spot—February 2016

Hi to all students, parents and staff from the RSC Canteen. It’s been a super start to 2016 with so many students, including lots of new year 7’s, enjoying their canteen experience. In this ‘Canteen Spot’ we thought we would answer the following question as it’s the one we are asked most frequently. “How do I make a lunch order?”

**How to order your LUNCH or recess snack from the CANTEEN**

A) Bring an order from home:
1. Use the menu which is published in the newsletter to decide what you would like for lunch and/or recess.
2. Write the order on an envelope clearly specifying which break (recess or lunch) the items are required for and enclose the money (change can be given).
3. Bring the order to the canteen before school or at recess and we will give you a ticket once payment is processed.
   - Note: If food is required for recess the order must be processed before school (btw 8.15 and 8.45)
4. Return to the canteen at the relevant time (recess or lunch) with your ticket. Line up at the lunch order window and we will give you your order.

B) Visit the canteen before school or at recess:
1. Visit us at the canteen either before school or at recess at the lunch order window and we will write you an order and give you a ticket once payment is processed.
   - Note: If food is required for recess the order must be processed before school (btw 8.15 and 8.45)
2. Return to the canteen at the relevant time (recess or lunch) with your ticket. Line up at the lunch order window and we will give you your order.

**This month’s FEATURED Product is**

**Sweet chilli wrap:**
Delicious sweet chilli strip, tasty cheese, lettuce, tomato, sweet chilli sauce and mayonnaise on a tortilla wrap. See us at the canteen for more information.

**Paid Job Opportunity for Year 8 and 9 Students**

A unique job opportunity at the College Canteen is available to students in years 8 and 9. This is a paid position and is available to students under working age by departmental approval. Students work at recess and/or lunchtime and gain great skills in customer service and hospitality. These skills are invaluable when students reach working age and wish to apply for a job in the wider community.

Interested students please see canteen staff for more information.

Parents can contact Morgen 0448992868 for more information.
SPORT

2015 brought a lot of success in the sporting program here at Rosebud Secondary. We placed second in both the Swimming carnival (winning the Intermediate and senior girls and senior boys division) and the Athletics carnival (winning the senior girls division), only beaten by Mornington Secondary in both. We won the Summer Cup and came third in both the Padua cup and the Winter Cup (by 1 point and 2 points respectively).

Congratulations to the following teams for winning in the Division competition:

- Year 7, 8 and Senior Baseball
- Senior Boys Hockey
- Senior Boys Cricket
- Senior Boys Tennis
- Year 8 and Intermediate girls Volleyball
- Year 7, Intermediate and Senior Boys Volleyball
- Intermediate Girls Badminton
- Year 8 and Intermediate Girls Table Tennis
- Junior Girls Football
- Intermediate Boys Football
- Senior Girls Netball
- Intermediate and Senior Boys Netball
- Intermediate Girls Soccer
- Intermediate Boys Basketball
- Year 7 girls Basketball
- Year 7 Futsal

We came second in the amount of division wins, behind Mornington. We cannot rest on our laurels and we must work even harder this year to be even better. Sport sign ups have occurred, however if you still want to play a particular sport in Term 1 (Cricket, Volleyball, Tennis, Baseball or Softball) just turn up to training.

SPORTING STARS

Congratulations to the following students who have been inducted as a ‘Sporting Star’. To be a sporting star you have to have represented your sport at state level or the highest possible level you can. If you know of a student who has done this and has not been inducted please contact Mr Powell.

- Jordyn Allen – Football
- Georgia Walker – Football
- Taylor Hutchins – Gymnastics
- Skyla Lauch – Athletics
- Blake Kuipers – Beach Volleyball

We will also be developing a ‘Legend status’ so stay tuned and continue to check out the evolving sports wall.
In near perfect conditions, the Annual House Swimming Sports were held last Tuesday at the Crib Point Pool.

The day had a real carnival feel to it with a long playlist of music belting out all day. There was a steady stream of dancing and at one stage a massive “Nut Bush” line dance took place between breaks in the swim heats. Fun was had by all; swimmers and non swimmers. Thanks to Geoff Jones for his contribution in that area.

The power of the Year 8 girls from Lonsdale was enough to trump every other house. They swept all placings in every stroke in their age group. This enabled Lonsdale a clear victory over traditional rival Phillip. Murray and Nepean finished in third and fourth place and can now look forward to the Athletics.

The swimming results of individual students will be highlighted in the next newsletter edition.

The interschool team will be chosen from the results on the day and students will be notified if they made the interschool team, to compete at the Pines Pool on Thursday March 3rd.

There will be before school training at the Colchester Pool commencing on Tuesday February 23rd.

The P.E staff really appreciate the efforts of all staff on the day in assisting to make the day run smoothly.

A big thank you also to mothers Deb Kadwell and Miho Guest for cooking up the barbecue food on the day.

Congratulations to all students who swam on the day and also to those who didn’t, because the behaviour and attitude of all was really positive and supportive.

Next Inter House event is the Athletics on Tuesday March 22nd. These will be held at the Truemans Road Reserve Tootgarook.
