WORLDS GREATEST SHAVE 2016

On Thursday 10th March, four Rosebud Secondary College students participated in the Worlds Greatest Shave. Lachlan Huxtable, Abbey Jordan and Stella Tomasello were led by Hannah Clayton as they bravely faced the clippers for a worthy cause.

With an original goal of \$2,000, Hannah far exceeded this with over \$5,000 dollars raised. Collectively the students have raised a grand total of \$6,554 but will gladly accept more donations. Simply click on the links below.

PRINCIPAL'S NEWS

Hello to the Rosebud Secondary College community. We are now heading towards the interim reporting period. Families should now be familiar with our new Attitudes to Learning (ATL) reporting which has been well received. Please note that the Parent / Teacher Interview day has been moved to the start of term two due to the short length of term one. **This will be held on Wednesday 13th April from 12:00-7:00pm.**

Last week there was a very interesting article published in The Age that spoke about the move many schools have made from reducing the focus on grades in their reporting. The article spoke about the emphasis on progress (growth) with the use of coloured graphical information. Complementing our new reporting will be more detailed feedback on Compass from the subject teacher. I recommend that you read this article to further understand the changes occurring in reporting at our school and across the education system.

<http://www.theage.com.au/victoria/some-victorian-schools-axe-grades-in-reports-20160304-gnanvx.html>

Open Night will be held on Tuesday 15th March from 5:00pm-7:00pm starting in the SPAC. Please encourage prospective families to attend this important event.

This week we held our whole assembly and presented our new school captains. This was a great opportunity to highlight the value of leadership within the school and how this can be demonstrated in many ways. I would like to congratulate the many students who were acknowledged on the day and the students who received various awards.

<http://rsc.vic.edu.au/whole-school-assembly-3/>

Recently the College Council elections were completed.

Filling two year terms: Bill Faulkner, Miranda Bruechert

Filling a one year casual vacancy: Mary Nougher

Staff representatives: Liam Kelly and Keetah Evans.

Ongoing representatives: Tracey McNear (Parent) and Sylvia Williams (Community)

We will complete the executive positions at the next meeting of College Council. I would like to thank the successful applicants on fulfilling this significant role.

During the past two weeks we have had two groups of students in Year 9 camping in the high country around Falls Creek. The feedback from this camp has been nothing short of amazing, with staff and students gaining much from the experience. We have also had a number of parents communicate with us the benefit of the experience for their child and changes they have seen. I would like to thank Geoff Pattison who coordinated the camp with the Year Level Coordinators, Parker Neale and Bridget Verwey. I would like to thank the other nine staff members who attended the camp over the seven days.

Well done to all the students who participated in the interschool swimming carnival last week. There were a number of standout performances from our swimmers. I would like to thank Pat Egan on coordinating our team. Congratulations to Bobby Parslow and Daniel Stevenson who have been selected in a Cricket touring squad to represent Victoria in Western Australia at the end of this month.

You may have recently seen a Brent Morrison and Rhys Edmund getting 'trims' as part of the World's Greatest Shave in support of Hannah Clayton. This week Hannah along with Lachlan Huxtable and Abbey Jordan will lose their locks. Well done to all involved. If you wish to support these students please visit the WGS website and search for the name.

Organisational matters

Uniform reminder: Given that we are now well into term one, we expect all students to have non uniform items addressed, such as shoes and pants. We would ask that you plan accordingly for the winter months with regard to school jumpers and spray jackets as non-school tops such as 'hoodies' will not be accepted. This year we will be reviewing the uniform items. If there are any changes to school uniform items there will be a period that these are phased in.

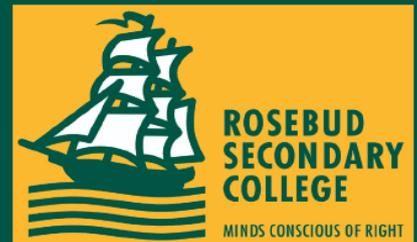

Labour Day holiday: Monday 14th March.

Open Night: Tuesday 15th March, 5.00pm- 7.00pm starting in the SPAC

Report Day: Wednesday 13th April. Students are only required to attend teacher meetings with their families on this day.

CANTEEN

Trigger Bros.

Rosebud Secondary College and the Canteen would like to welcome Trigger Bros as the new sponsor of the Healthy Eating Initiative.

If you would like to win a Trigger Bros voucher, simply purchase something healthy from the canteen to go into the draw.

Paid Job Opportunity for Year 8 and 9 Students

A unique job opportunity at the College Canteen is available to students in years 8 and 9. This is a paid position and is available to students under working age by departmental approval. Students work at recess and/or lunchtime and gain great skills in customer service and hospitality. These skills are invaluable when students reach working age and wish to apply for a job in the wider community.

Interested students please see canteen staff for more information.

Parents can contact Morgen 0448992868 for more information.

CSEF

CAMPS SPORTS AND EXCURSION FUND **APPLY NOW** INFORMATON FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors; excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- **\$225** for secondary school students in **Years 7 to 12**

HOW TO APPLY

Contact the school office to obtain a CSEF application form. Further information and an application form is available at www.education.vic.gov.au/csef

PAYMENTS

CSEF payments commence at the beginning of March; therefore applications should be lodged before **The end of Term 1.**

The school will allocate funds to any camp, sport or excursion you have indicated your child will be attending.

LIBRARY NEWS

LIBRARY NEWS

The College Library provides students with access to thousands of carefully-selected resources, to support their literacy, learning and progress. Each year we invest substantial sums of money to ensure that Library resources are current, high-quality and relevant to students' needs. Some of these resources are in high demand, which is why each student who borrows from the Library must take responsibility for the safe and timely return of their loans. This ensures all students have equal access to the shared resources the Library provides to the College community.

At the moment, there are almost 300 items borrowed from our Library which are overdue (in some cases by several years!) This week, all parents of students who have an overdue Library item have been sent a letter which explains what the item is, how long it has been overdue and what its replacement cost is (for items that students have lost).

The College Library does not charge students 'late fees' for overdue items. However, if you have received this letter, your child's Library borrowing privileges have been suspended; this includes borrowing College laptops.

Receiving this letter is a fantastic opportunity for parents to speak to their child about the importance of being responsible for items they borrow (from the Library or elsewhere). Please encourage your child to locate and return the item/s mentioned in this letter. If the item has been lost, it can be replaced at the borrower's expense or paid for at the College's Front Office. If this is not possible, alternative arrangements can be made by contacting the Library on 5986 8595.

All of these options will result in your child having their Library borrowing privileges instantly reinstated. The Library staff love to see students borrowing, and our current aim is to get as many overdue items as we can returned or replaced, so all students can do just that – borrow.

Please contact Nicolle Brigden, Head of Library, if you require any further information.

Coming soon: fifty brand-new Lenovo laptops will soon be put into circulation at the Library and will be available for students to borrow during the school day. Got an overdue? Get it in now!

Please remember that each time your child goes out of the school for sport there is a \$10 charge, payable to the front office before the day. Failing to do this may result in your child not going on the sporting activity.

CAREERS NEWS

WORK EXPERIENCE ORGANISATION 2016

Congratulations to the students who have found placement for the work experience week. There are still quite a few who have not and these students now need to make every effort to find one.

The dates for Year 10 Work Experience in 2016 is the week of April 18th – 22nd 2016.

Any student who has not found one should come and speak to us at the careers office to gain some ideas. For students who are completing Year 11 units – you need to make the decision as to whether you can balance the week out of class. However, gaining real world experience is invaluable when it comes to making decisions about year 11, 12 and beyond.

******ALL students need to complete a Safe@work OHS General Module in preparation for Work Experience.**

Not all Year 10 students have completed this task at school as a number of students were absent during Jumpstart. Students should check with the Careers Office as soon as possible if they have any doubts about their OHS General Module. **We will complete the most appropriate industry-specific safe@work certificate on Thursday 10/3/16. Students cannot participate in Work Experience in 2016 without completing the OHS Modules.**

YEAR 12 NEWS

The careers noticeboard in the study centre has been updated with the latest information and opportunities. For those interested in engineering, physiotherapy and paramedicine, there are some great opportunities over the next month that could help Year 12's decide whether this is a good opportunity for you.

In the last 2 weeks of term we will be launching an activity on Compass that will require students to enquire about potential tertiary studies. This task will then be used to begin the course counselling process. Year 12 students are encouraged to start research early to gain knowledge for the future.

YEAR 12 VCAL EXCURSION

Thursday 4th of March saw 16 students extend their knowledge of the commercial building industry and OHS requirements by visiting Platinum Towers, a 53-storey development in Southbank. Students started with a talk from the shop steward about safety issues, work conditions and then took a tour from the top floor downwards. This showed the assembly process from bare frame down to the finished apartments. Thanks to the CFMEU who took great care of our students and provided them with real-world learning.

SPORT NEWS

SENIORS FINISH FIRST IN DISTRICT SWIMMING

A great set of results both as a team and also individually was achieved earlier this month at the District Swimming Sports at the Frankston Pines Pool.

The Senior Girls won the Aggregate award as did The Senior Boys. The Open age group was completely dominated by our swimmers as the Individual results listed below clearly show

The pennants won by Senior Boys and Senior Girls set the day up very well for the team and showed great direction and leadership for the junior team members

Individually some of our swimmers were outstanding.

Brianna Bond of Year 12 won SEVEN events, including 5 individual events and 2 relays.

Hollie Dunstan Year 10 also won SEVEN events, five of those also being individuals.

Year 12 students Ayden Coates and Robbie Mansfield won FOUR events each. , Max Tanaka won THREE and Clay Hodgson, along with these three, swam in two winning relays

Ellie Davis and Hannah Berndt, both of Year 12, joined Hollie and Brianna in winning both of the senior girls' relays. Ellie also won the open 50 metre Butterfly

Elisha Clarke of Year 8 won TWO individual events as well as being part of the winning 14 year old freestyle relay team along with Lucy Dennis, Eloise Armstrong and Kaylah Charles. Kaylah also won the 14 year olds Breaststroke

Chester Guest Year 8 won the 14 year olds Breaststroke

Lily Wills won the 17 year olds 50 metre Backstroke.

All of these students compete at the Southern Metro Region Sports at MSAC on Thursday March 24th, so results will be available in the next newsletter.

All the best to the students representing the school at that carnival.

10 tips from a dietitian

Dietitians are more than just weight loss experts. They are university trained in a number of nutrition and health related topics in order to assist people to improve their overall health and wellbeing.

Richard Dove is a dietitian at Peninsula Health. He helps people with a number of diet-related problems and has the following 10 tips for healthy eating:

Richard Dove, dietitian

1. Drink plenty of water and avoid sugary drinks.
2. Make sure you have two pieces of fruit every day.
3. Never skip breakfast: it's the most important meal of the day!
4. Choose low fat dairy products like cheese, milk and yoghurt.
5. Have five serves of vegetables every day.
6. Don't eat while watching TV: your brain can forget to tell your body that you're full!
7. Prepare meals yourself and limit takeaway and ready-made meals.
8. Try new foods and different healthy recipes: you might find a new favourite meal!
9. Wait 5-10 minutes after eating before you decide if you want a second helping.
10. Get your family members involved with cooking and planning healthy meals.

You can make an appointment to see Richard or another Peninsula Health dietitian by calling 1300 665 781.

Appointments are free for those with a healthcare or pension card and low cost for others.

More information about healthy eating can be found at <http://livelighter.com.au/>.
