Hello to the Rosebud Secondary College community. We are now approaching interim the reporting period so it is important all students make sure they are up to date. We will be holding our Parent/Teacher interviews on Monday 12th September. Once again our reporting will be using the ATL (Attitudes to Learning) format which assesses a range of skills required at school and in the workplace. These criteria align with key skills that students need to demonstrate in 21st century learning under four main areas of organisation, collaboration, communication and personal learning. Bookings will open on Compass on 5th September. Further information on our reporting can be found at: http://rsc.vic.edu.au/feature/attitudes-to-learning-atl-reporting-2/

Congratulations to our Wakakirri team who performed a dance based on ‘Picnic at Hanging Rock’ at the Frankston Arts Centre on Monday 1st August. Last week we heard the news that our team will be in the state final at Hamer Hall. A big thank you to Brea Low for her continued support and coordination of these students. We wish them the best of luck on Monday 12th September. http://rsc.vic.edu.au/wakakirri-success-2/

This week we hold the second of our two Presentation Balls. Last week was a wonderful night for all involved, with our students having a great night demonstrating their dance skills in front of family and friends. The dances again demonstrated all the hard work had paid off. I would like to thank Robyn Van Lieshout and her team of helpers who have once again coordinated this event with great success.

This week we held book week and I was personally involved in the “Living Book” program which ran over two days. This was a fantastic opportunity to speak to the students about my experiences and background. There were a great range of “Living Books” each day and I’m sure many of the students walked away inspired by the program. I would like to thank the presenters for their time and Nicolle Brigden and the library team who organised this event.

Arthurs Seat Challenge is on Sunday 6th November this year. Early Bird entries are currently open and we are looking to get as many RSC students involved in the event. Brent Morrison will be promoting the event participation and assisting with training in the lead up to the event. Money raised through this important event is used to provide the traffic safety program ‘Fit To Drive’ for Year 11 students. http://www.arthursseatchallenge.com.au/

Currently we are conducting a review of all school operations. This has included looking at our mission, vision and values for the College. We have conducted a number of sessions with staff and students and we would value input from our parent community. Could you please take approximately five minutes to complete the parent survey. This can be completed from any device.

Organisational matters

Monday 12th September: Parent/teacher interview day- students are required to attend their interviews only on this day. Interviews from 12:00pm- 7:00pm. Bookings will open closer to the date.

Uniform

We have now completed the uniform review and will soon publish full details to the parent community regarding the introduction of the new recommendations.

One significant change has been the allowing a ‘discreet nose stud’ under the piercing guidelines. The feedback so far has been very positive regarding this change based on student feedback.
RSC IS GOING GOOGLE!

Have you completed the consent form?

Rosebud Secondary College has decided to provide staff and students with access to Google Apps for Education. This product is a communication, collaboration and productivity suite designed by Google for the education sector. It gives teachers and students access to a variety of tools they can use for teaching and learning.

Please find the Google Apps for Education - Privacy Information and Consent document at the following link: http://bit.ly/rscgoogleappsconsent. This document outlines relevant privacy information and the terms and conditions of Google Apps for Education.

Please read the linked document above and complete the acknowledgement and consent form available at http://bit.ly/rscgoogleappsform. Your child will not be issued an account until the consent is received by the College. As Google Apps for Education will be used as a core part of the College’s digital learning environment, it is important you complete the consent form as soon as possible.

If you have already completed the online form already, or in hard copy, thank you for your assistance, no further action is required.

If you have any questions or concerns about Google Apps for Education, please contact Adam Vardanega at the College.

2016 COLLEGE MAGAZINE $20

Payment is now being received at the front office for any students and family members wishing to purchase this year’s College Magazine. It is a fantastic colour publication full of photos, art work and articles celebrating the year’s events. It is a wonderful keep sake for $20 and will be available towards the end of the year.
PSYCHOLOGY TRIP TO THE MUSEUM

The Year 11 Psychology class travelled to Museum Victoria early last week to attend The Mind Labyrinth exhibition.

The excursion aimed to immerse students in our current understanding of brain science, examine the historical development of brain structure and function, discuss mental illness, the role of art and alternative therapies, participate in visual perception experiments and illusions, as well as examine historical psychiatric drugs and instruments.

The exhibition itself has been designed to align seamlessly with the current (new) Psychology study design, making it a wonderful teaching and learning experience for our students.

BAND PERFORMANCE

On the 10th August several of our music students participated in the Padua & District Concert Band Festival. This event is organised by Padua College each year. Students get to rehearse and play in a variety of different level bands being workshopped by the musicians from HMAS Cerberus. They perform chosen pieces in a gala performance this same evening. It is a wonderful opportunity for students to be tutored by Navy band personnel and meet other music students from the Mornington Peninsula. I would like to say a big thank you to Mr Geoff Pattison, and parent Mrs Mary Nougher for helping transport some of our students to this event. Your time and effort was really appreciated by myself and the students who could go. Thank you........ Mrs Samantha Clough.

NORTH WEST OF NOWHERE

On Tuesday 9th August RSC proudly hosted ILBIJERRI’s, federally funded, VACHO approved production of ‘NW of Nowhere’ - Health Tour. This was ground-breaking theatre and health promotion at its very best: with diversity celebrated and focus on healthy body image, safer sex, aboriginal pride and local health agency promotion. “RSC proves to be the most popularly supported show of the tour to date” Lenka Vanderboom ILBIJERRI administrator.

INTERMEDIATE TABLE TENNIS

Congratulations to the Intermediate Girls Table Tennis team who convincingly won the District Pennant at the recent Interschool Table Tennis Competition. The team went through the day undefeated after beating teams from Mt Eliza (6-0), Mornington (5-1) and Dromana (6-0). The boys’ team finished in third place. The girls’ team will now represent the District in a final against the winner of the Frankston District early in term 4.

Team members were

Girls: Mikayla Johnston, Katelyn Brownlie, Lily Tanaka, Mardi Gillespie-Dawson, Michelle Sugue and Alysia Morgan

Boys: Patrick Nickeas, Riley Nigro, Kane Hannah and Bryce Trembeart

YEAR 8 HOCKEY

On Wednesday 3rd August the year 8 boys Hockey team went to Dromana College to compete in the Regional Schools competition. The first (and last) game played was against Mornington SC, who were the only other school to attend on the day saw both the girls and the boys teams playing in the rain.

A scoreless first half left the team exhausted but a chant led by skipper Max Dunstan helped to regain players spirits. The second half played out just as the first with no score hitting the board and a lot of back and forth on the court. Mornington put the first points up, closely followed by Bailey Dunn for Rosebud with a risky but worthwhile shot. With only minutes to go Bailey Dunn got the ball and broke through the Mornington defence to have another shot which was unfortunately stopped by the oppositions goalie but a quick thinking Kyle Nagle saw an opportunity, took it and smashed the ball into the back of the box!

All the boys worked incredibly hard and deserved the win. We wish them luck for the next stage.

SPORT NEWS - $10 Charge

Please remember that each time your child goes out of the school for sport there is a $10 charge, payable to the front office before the day. Failing to do this may result in your child not going on the sporting activity.

EXPERIENCE A NEW CULTURE AND MAKE LIFELONG FRIENDS
WHilst HOSTING AN EXCHANGE STUDENT!

In January 2017, students aged 15 – 18 years from over 25 countries will be arriving in Australia to study at local schools for 3-10 months. Opportunities are available to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide each student with the chance to study and experience life in Australia. This is a great way to practice your language skills, share your stories, learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

Our students bring with them their own spending money, health insurance and a wonderful attitude and desire to learn about their new host country. Your whole family... and your relatives and friends... will grow and learn as you all get to know your new ‘son’ or ‘daughter’ from another land. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia New Zealand on 1300 135 331 or visit our website. http://studentexchange.org.au/host-a-student
