## WELCOME CLASS OF 2023

Tuesday 30<sup>th</sup> January was the first day of secondary schooling for 144 smiling, enthusiastic, young people that form our Year 7 cohort. We started with a whole school assembly. Each class was welcomed with a rousing reception from the entire school as they made their entrance into the stadium. After the assembly it was all go, go, go as timetables, lockers, books etc were sorted. The students have started very well; we are so pleased with their efforts. We are looking forward to seeing the group grow and we will be encouraging them to take up the many new opportunities that Rosebud Secondary College has to offer.

# PRINCIPAL'S NEWS

Welcome to the 2018 school year. A special welcome to all of the new students, to the returning and new staff members. We are looking forward to a year focused on student learning, achievement and wellbeing.

The College staff recently developed a new four year strategic plan with goals designed to support our improvement agenda. This is to ensure that we are providing the young people of the Peninsula with the very best learning opportunities. Some of our work this year will involve looking at some of the organisational structures of the College and our policies. This work has already begun, with particular emphasis being placed on College attendance procedures to ensure that they align with new government expectations.

We have also started the year with greater emphasis on our students wearing their uniform correctly and with pride. The uniform policy was developed by the College Council and it is our responsibility to enforce it. The majority of students look fantastic and I would like to thank all of those students who are wearing the correct uniform. A reminder that socks should be plain and logo free and I ask that parents support us in this by purchasing plain socks.

During our first two weeks our Year 7 students have been participating in a range of orientation lessons. Some of the lessons have been about our College values of Respect, Responsibility, Belonging and Personal Best. I have enjoyed visiting the classes and getting to know the Year 7 students who seems to be settling in to secondary school very well.

Last week I attended the Year 12 Study Conference at Monash University. Thank you to the Year 12s for welcoming me, and for the mature manner in which you listened to the guest presenters. The new College Captains were announced during this conference and I would like to formally introduce and congratulate them. The Captains are: Jack Presti and Holly Dunston, and the Vice Captains are: Kyle Llewellyn and Mardi Gillespie-Dawson. I am looking forward to working with you this year and am excited by many of your ideas for improving our College.

In recent weeks there has been some improvement work done around the school. The toilets near the canteen are currently being painted and will certainly look a whole lot better. We know this is important to the students and we are pleased to be able to address their concerns. The Year 7 area has some new roofing and is currently being painted. It looks much brighter and I am sure the students appreciate the improved environment.

Very soon we will be holding College Council elections (see Page 6 for further information). I encourage parents to consider nominating because parent involvement in schools is very, very important. If you have any questions regarding being on Council please don't hesitate to contact the College.

## THE LIBRARY STAFF WELCOMES ALL OUR NEW STUDENTS TO THE COLLEGE, PARTICULARLY OUR YEAR 7 STUDENTS.

### Why Your Child Can't Skip Their 20 Minutes of Reading Tonight

**James**

reads 20 minutes per night.  
5 times per week

**Travis**

reads only 4 minutes per night  
...or not at all

In one week:

**100**  
minutes of reading

**20**  
minutes of reading

In one month:

**400**  
minutes of reading

**80**  
minutes of reading

In one school year (9 months):

**3600**  
minutes of reading

**720**  
minutes of reading

By the end of eighth grade:

**28,800**  
minutes of reading

**5760**  
minutes of reading

Which student would you expect to read better?  
Which student would you expect to know more?  
Which student would you expect to write better?  
Which student would you expect to have a better vocabulary?  
Which student would you expect to be more successful in school and life?  
How do you think each student will feel about himself as a learner?

GREER GENIUS

Many Year 7s have visited the Library at recess or lunchtime and most classes have also participated in a hands-on Library Orientation session. The Library is also the venue for the fortnightly workshops that form an essential part of the Read to Learn (Year 7) and Write to Learn (Year 8) programs, so all our junior students have regular opportunities in class to browse and borrow from our extensive teen and young adult fiction collection.

Reading is an essential life skill, which is why all our Year 7 & 8 English classes begin with 10 minutes of quiet reading and all students are asked to read at home for at least 20 minutes each day. Regular reading is beneficial for students' progress in all learning areas, this infographic demonstrates.

For Term 1, the Library is open every morning from 8.30am, all of recess, at lunchtime from 1pm and after school until 3.30pm. These hours will be extended during the winter terms. We look forward to a busy year supporting our students' development as lifelong readers, and lifelong learners.

## JAPANESE TRADITION #1 SETSUBUN AND BEAN-THROWING

**Setsubun** is a traditional event in Japan and it celebrates the end of winter and the beginning of spring. It takes place on February 3 or 4 and there are a lot of ways to celebrate the day. People take part in a traditional Bean-Throwing ceremony.

On the night of Setsubun, we throw the beans all about the room, shouting 'Oni wa soto! Fuku wa uchi!' meaning 'Out with the goblins and in with fortune!' They also open the windows and throw the beans outside. This event drives out evil spirits and the seeds of misfortune, as well as to pray for the family's well-being and good business.

After the Bean-Throwing ceremony, we eat the same number of beans as our own age. It is believed that by doing so, people will be free of sickness during that year.

## DUPLO DONATIONS

## SCHOOL COUNCIL ELECTIONS - INFORMATION FOR PARENTS

### WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

### WHO IS ON THE SCHOOL COUNCIL?

For most school councils, there are three possible categories of membership:

A mandated elected Parent category – more than one third of the total members must be from this category.

Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not engaged in work at the school.

A mandated elected DET employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

An optional Community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. Department employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

### WHY IS PARENT MEMBERSHIP SO IMPORTANT?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

### DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable life skills and knowledge to the role. Councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

### HOW CAN YOU BECOME INVOLVED?

The most obvious way is to vote in the elections, which are held in Term one each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

### WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term one each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Department employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

### REMEMBER

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

## CAMPS, SPORTS AND EXCURSIONS FUND (CSEF) (Applications close 29 June 2018)

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like:

- school camps or trips
- swimming and school-organised sport programs
- outdoor education programs, excursions and incursions.

Please note the changes for 2018 applications. See 'Submit and application'.

**Who can apply:** Families holding a valid means-tested concession card or temporary foster parents are eligible to apply.

There are two criteria that must be met:

On the first day of term one (29 January 2018) or the first day of term two (18 April 2018), a parent or legal guardian of a student must be an eligible beneficiary of one of these cards:

Veterans Affairs Gold Card  
Centrelink Health Care Card  
Pensioner Concession Card

**OR** they must be a temporary foster parent

**OR** the student is 16 years or older and holds a valid concession card (such as a Youth Allowance Health Care Card)

**AND** the parent or legal guardian must submit an application by the due date.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years.

School is compulsory for all Victorian children aged between six and 17 years of age.

CSEF is not payable to students attending pre-school, kindergarten, TAFE or who are home schooled.

### Payment amounts:

\$125 per year for eligible primary school students & **\$225 per year for eligible secondary school students.**

Payments are made directly to the school and are tied to the student. Most payments start from March onwards.

Applications can be received over term one and two. Payments are for the application year and cannot be claimed for previous years.

Year 7 and Prep students in government schools who receive the fund are also able to get support for school uniforms.

The CSEF payment cannot be used towards voluntary school charges, books, stationery, school uniforms, before/after school care, music lessons, or formal/graduations.

### Submit an application

If you applied for the CSEF at your child's school in 2017, you do not need to complete an application form in 2018 unless there has been a change in your family circumstances. Your child's school will apply for the CSEF on your behalf.

You will only need to submit an application form in 2018 if any of the following changes have occurred:

- \* **new student enrolments:** your child has started or changed schools in 2018 or you did not apply at the same school in 2017 or
- \* **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2018.

Schools are able to accept and process applications up until the end of term two each year.

## CONVEYANCE ALLOWANCE

### Who can apply

The conveyance allowance is available to families who meet certain criteria.

### Students attending a school must:

- attend their nearest government or non-government school/campus appropriate to their year level at which admission is permissible
- be enrolled at a school/campus outside Melbourne's metropolitan conveyance boundary
- reside 4.8km or more by the shortest practicable route from that school/campus attended be of school age (5 to 18 years old at time of application) and reside in Victoria.

To receive payment for Term 1 2018, claims must be received by the school no later than **Friday 2 March 2018.**
