COLLEGE WORKING BEE

SATURDAY 8 SEPTEMBER 9AM-12NOON

The whole College Community is invited to help out this Saturday from 9am to midday. We will be constructing raised sleeper garden beds, digging, drilling, shovelling, mulching and planting trees in both the Year 7 area and in between the Oval and Basketball courts. We would love to see lots of parents, students and staff to help create shade and a greener environment! – The more the merrier!
Thank you, Glenn Powell.

PRINCIPAL'S NEWS

In this edition of the newsletter you will see examples of the many diverse learning opportunities offered to our students. The remainder of our Year 9 students attended the City Experience which is rich with new challenges. Our Year 12 students had a great 'Character Day' which is an important date on the Year 12 calendar each year. I encourage them to make the most of these celebration occasions and remember that Year 12 is about the entire experience of finishing secondary school. Our staff are busy preparing for the Year 12 holiday revision program and I thank them for their commitment to their students and remind the Year 12s that they need to match this commitment to the revision activities developed for them.

We are continuing to enjoy our Grade 4&5 visitors from the local primary schools for our Active Minds program; it's great to see them immersing themselves in secondary school activities. I also enjoy watching our students show developing leadership skills as they help facilitate the program. Last week I had the pleasure of attending Sorrento Primary School's annual production. It was an epic performance with some very talented young people, however nothing surpasses the prep class in their role of 'Greenie' protestors!

We have had some positive sporting results recently, particularly with our boys netballers who made it to state level. We are also immensely proud of Jordy Allen who was named in the 2018 NAB AFL Women's Under 18 All Australian team. Jordy is an excellent example of following your dreams. She is a great leader who shows compassion for her fellow students but also an intense drive to succeed.

Whilst still some time away, much of my time at the moment is dedicated to planning for 2019. There will be some changes around the College next year, with particular emphasis being placed on increasing our students' sense of connectedness to the College and each other. We will be distributing more information about this in coming weeks. I look forward to speaking with many of you at Parent Teacher interviews on Monday.

NAPLAN

We have now sent out by post all NAPLAN reporting documents. NAPLAN individual student reports provide information about what students know and have achieved in the areas of reading, writing, language conventions and numeracy. They also provide information on how students have performed in relation to other students in the same year group, and against the national average (over one million students participate in NAPLAN tests each year) and the national minimum standards. Please see the following link for further supports.

WELLNESS PAVILION NEEDS YOUR VOTES

Here is your chance to help make the Wellness Pavilion
 (“**Community mental health and resilience centre**”) a reality.

Since launching the project in 2015 to build a facility to support the youth in our community to be the best version of themselves, we have generated significant support from community groups, individuals and of course financial backing from Rosebud-Rye Rotary, Bendigo Bank, Commonwealth Bank and many organisations across the peninsula. We all understand the significance of the issues young people face and the importance of resilience in overcoming or preventing mental health issues.

Pick My Project is a Victorian-first community grants initiative, with at least \$1 million in funding available in each metro and regional area. Now it's time to vote!

The process to follow is to pick your three favourite project ideas in your local community and help make them a reality. You will notice that for the purposes of this grant, the project has been listed as the “**Community mental health and resilience centre**”.

To spread the word and register votes:

Click on the link: <https://pickmyproject.vic.gov.au> , then click on 'Browse projects near you'

Select the “Community mental health and resilience centre” to add to your short list.

You will be prompted to register.

When viewing this project, click on the Facebook icon and it will enable you to share this project across your social media contacts.

Don't forget to enter your vote and share the link to the “**Community mental health and resilience centre**”.

Thank you for your support.

YEAR 12 CHARACTER DAY

The Year 12 Character Day was held on the 30th of August and its safe to say that Year 12 Character Day was a hit!!

Although the weather was dull and dreary, the array of colourful costumes brighten up the day. With the appearances of a cast of dress-ups, from the Up characters to The Incredibles to a T-Rex to Steve Irwin to the Spice Girls to Augustus Gloop and a couple of Oompa Loompas.

Despite the fact that our Year 12 journey is fast approaching what many call 'the pointy end', almost everyone put in admirable effort for this annual tradition. It certainly put smiles on faces as we paraded around the school in our glamorous attire, as well as strengthened the sense of belonging and community in the Year 12 Common Room.

I would encourage all the students, irrespective of year level, to get thinking about a costume!

A huge thanks to the Year 12 Leadership Team for pulling together the day, but also to all the Year 12's (and teachers) who embodied the festive spirit of Character Day. Enjoy the photos!

PRESENTATION BALL

On Friday 24 August, we celebrated the College Presentation Ball and witnessed seventy of our Year 11 students take to the dance floor at the Chelsea Town Hall.

With a crowd of five hundred in total, the atmosphere was a buzz with proud parents, families, and excitedly nervous couples. The students had learnt and rehearsed their dance routines well over the term under the watchful eye of Kelly, Sarah and Simon. Over the last fortnight especially, the transformation of these young people into elegant, competent dancers was amazing to observe.

The little page girl and boy, Miread and Stephen stepped out confidently to lead the couples onto the dance floor for their first dance of the night. The girls looked absolutely beautiful standing alongside their handsome partners. As the first dance began every eye and camera was totally focused on them and it was obvious that many in the audience were reminiscing.

After the final rehearsal the students gathered around Robyn Van Lieshout to give her a gift from them all and express their gratitude for all her time and effort in organising the event. This was Robyn's

21st ball, and the achievement was not lost on anyone involved. Thankyou Robyn.

Some comments from the students after the night:

'It gave me the opportunity to take a photo of my whole family together'

"My family has now done four Presentation Balls and thought it was the best one yet. We also knew it was Robyn's last so really wanted to be involved."

"Brilliant dance teachers"

"Soo good, loved it"

"It was good to dress up and feel pretty"

YEAR 9 CITY EXPERIENCE

Over the past few weeks the Year 9 Learning for Living classes have ventured to Melbourne on their City Experience Camp. Over two days the students, in small groups, learned to navigate the streets and mastered their use of the tram network. The students explored many educational opportunities, including the Queen Victoria market, ACMI, the National Gallery and the Museum....as well as the shops.

In the evening the students gathered at the Nomads hostel to change into more comfortable clothes, and then departed on the tram for an aerial view of the sparkling night city from the Melbourne Star, followed by dinner and ice skating. The night was completed by a quick snack stop on the way back to Nomads.

On Day Two, the students were given a fascinating tour of Etihad Stadium, spending time in the "Green Room" used by performers and AFL tribunals. Afterwards, the students had a few more hours to complete their assignments before meeting at Nomads and then heading home.

It was a very enjoyable and educational few days for everyone involved. The staff were more than satisfied with the excellent attitudes and behavior of the students who enjoyed this experience.

LIBRARY NEWS

BOOK WEEK

'There is more treasure in books than all the pirate's loot on Treasure Island.'

Most readers know this quote from Walt Disney to be true, and the treasure to be found in books and reading was the theme of this year's Book Week celebrations.

Students were invited to 'dig up a great read' from our display of titles shortlisted for the prize of 'Book of the Year' which, for Older Readers, was won by 'Take Three Girls' by Cath Crowley, Fiona Wood and Simone Howell. At lunchtime we picked up the treasure theme by screening 'Pirates of the Caribbean: The Curse of the Black Pearl' throughout the week, and interested students also participated in a special lunchtime Folded Book Art activity.

The Living Library was our Book Week special event, where we invited interesting people from our College and local community to share their story with our students.

This year our living 'books' were:

Our College Principal Lisa Holt, Community volunteer (and RSC parent) Miranda Gillespie, Snake catcher Barry Goldsmith, Double amputee David Walker, Rye environmentalist Josie Jones, Our multi-talented Humanities teacher Keetah Evans, Professional soccer coach Migs Gorgulho and Ennis the Guide Dog Puppy (and his foster 'dad', English teacher Duncan McGann)

Over two days, students from eight different class were invited to 'borrow' one of our living books and hear about their life and experiences. Some of their comments are below:

"It was interesting to hear about all the cool things Miss Evans has done."

"Josie was very inspiring and made me reconsider my choice when dropping rubbish."

"Migs taught us life lessons and inspired us to pursue what we're good at."

"I've never heard the back story of a guide dog before, which was interesting, plus Ennis is really cute."

"I really enjoyed getting to know my principal – I actually have a lot in common with her!"

"It was really interesting to find out about Miranda's life experiences and dangerous adventures."

"I found talking to David gave me a really good insight into someone else's life. I learnt a lot about prosthetic limbs and found him inspiring."

"Barry gave really good descriptions of some of his experiences catching snakes."

JUNIOR BOYS NETBALL TEAM

On Monday the 3rd of September our Junior Boys Netball team went off to compete for the State Title at Waverley Netball Centre. The opportunity came about after two dominant displays at Division & Region tournaments which highlights the journey the team started back in Term 2. On the day teams literally came from the furthest corners of the state which meant competition was tough. With 1 win and 2 losses it meant we unfortunately did not make it through to the semi finals however it was positive to see that that two teams we narrowly lost to both made it to the Grand final. The team was led by two excellent Year 9 Student coaches Bridgette Dahl & Chelsea Forster who were able to demonstrate their budding leadership skills.

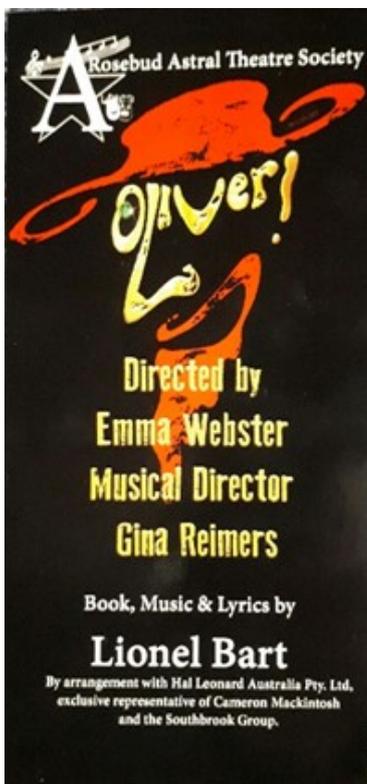

Year 7 & 8 Junior Boys Netball Team:

Henry Hustwaite, Tom Field, Cade Stebbing, Rylee Bruno, Tom Donoghue, Scott Wilson, Taj Campbell-Farrell, Taran Vance, Moses Loza, Harry Walsh & Jarvis Williams– Moses
